

## **IMMIGRATION LAW – Cost Information**

We are passionate about the law and pride ourselves with the ability to deliver competent legal advice and assistance at reasonable rates. We aim to give frank and honest service. Our charges are competitive and represent good value for money. We either charge a fixed fee or hourly rate depending on the nature and type of your case.

### **Consultation**

We offer an initial consultation for a fixed fee of £120. The meeting is for a maximum of 1 hour. At this meeting we will:

- Seek to establish what your legal problem is
- Provide you with possible solutions and advise on the best strategy
- Estimate the cost and time it will take to resolve your problem

Based on the information that we have given; you can then decide whether you wish to proceed on your own or instruct us to do further work for you. If you require a detailed letter of advice following the initial consultation there will be an additional charge of £200

### **Hourly Rates**

We charge hourly rate for all complex or difficult cases including Appeals, Human Rights applications, Asylum applications, Fresh Claims for Asylum, Judicial Reviews, Bail and detained cases.

Our hourly rate range is £150.00-250.00 per hour. The rate will depend on the person dealing with your case, complexity of the case and the urgency. We will discuss the rate with you at the initial appointment and provide you an estimate.

Our fees exclude VAT, Home Office application fees, disbursements and expenses.

### **Fixed Fees**

Where your case is straightforward, we can offer fixed fees. Other than stated above we charge a range of fixed fees for all other immigration and citizenship applications.

- The table below provides our current fixed fees for the various applications listed therein.

Please note that the fixed fee is due and payable once you instruct us and we commence work. This means that if you change your mind after you have instructed us, you will still pay us the fixed fee.

Please note that our fixed fee does not cover advice and attendance to home office interview. In the event there is an interview situation and you instruct us to advice and or accompany you to home office interview, additional fixed fee in the sum of £600 will be payable to us. This additional fee covers advice and accompanying you to the interview including traveling and waiting. If you require advice only, the additional fixed fee is £300.

## Expenses

Depending on the type of application, there may be additional expenses that you will be required to pay. This includes the Home Office fee for the application, immigration health surcharge, fee for translating any document written in foreign language, fee for interpreting if you require one for interview or to communicate with us. You may be able use a relative or friend to interpret for you when you meet with us. If you have interview with the home office, they may not allow you to use a friend or family member as interpreter. Please note that the home office and immigration health surcharge are subject to change. A link is provided here
